Applicants submit herewith Form PTO-1449, "INFORMATION DISCLOSURE STATEMENT," and a copy of each reference listed therein.

Because this Statement is being filed within three (3) months of the filing date of this National application, no fee is necessary. In addition, this art was cited in the International Search Report for corresponding PCT/GB99/01506.

Applicants are submitting this art because they recognize their duty to disclose pursuant to 37 CFR §1.56. However, submission of this art and Statement is not an admission that any item identified contains matter that anticipates the invention or that renders the invention obvious to a person of ordinary skill in the art. Further, Applicants believe that none of the art submitted herewith, alone or in proper combination, discloses, teaches or suggests the invention claimed by Applicants.

The citation of a reference is also without admission that the reference is sufficient to teach one of ordinary skill in the art how to make or use the subject matter thereof or that the reference is, or is considered to be, material to the patentability as defined in 37 CFR §1.56(b).
